

## IMPLEMENTING SUCCESSFUL COACHING IN ORGANISATIONS

APRIL 29, 2025 | ROYAL VILLAS, EZULWINI | IN-PERSON

### Your Facilitator: Veronica Royston:

Master Certified Coach (ICF) and Registered Organisational Psychologist with 15 years of global coaching experience. Having held senior executive roles in multinational organisations, she now trains, mentors, and supervises coaches worldwide.

More organisations are leveraging coaching to develop skills and enhance performance.

### HR.com’s State of Coaching and Mentoring Survey Findings:

- 70% of HR professionals agree coaching is important.
- 66% believe coaching supports individual development.
- 57% say coaching strengthens organisational performance.

### This Session Focuses on:

- Managing coaching engagements effectively.
- Fostering a coaching culture within organisations.
- Measuring impact to drive organisational results.
